

## **Training Classes for Electronic Cutting Machine (Cricut)**

**Bridges to Growth has acquired a Cricut Expressions electronic shape-cutting machine.**

**This machine provides:**

- **Thousands of shapes and shaped letters to choose from**
- **Adjustable sizes**
- **Useful for making student projects, bulletin boards, scrapbooks**
- **Uses card stock or special paper available for purchase (no construction paper)**

**If you think you would like to use the Cricut machine in our workroom at Bridges, you must attend a training class, which we are trying to schedule.**

**After the training class, there will be a \$5.00 per hour charge for using the machine, minimum fee of \$1.25. We will have many different patterns of paper to choose from for \$.20 per page.**

**Please phone us at (512) 864-3008 or email [jghproject@suddenlinkmail.com](mailto:jghproject@suddenlinkmail.com) to get on the waiting list for the training class. Please indicate that you want to sign up for Cricut training and include your name, phone number. Please also indicate your availability for training (days of the week, hours you are available.) We will contact you when we have the class scheduled.**
