We Appreciate.....

Despite the financial setbacks many of our supporters have experienced this part year, despite the increasing demand from others who are doing great things in the wake of Hurricane Katrina and Hurricane Rita, you have continued to encourage us. You have sent checks. You have volunteered. You have faithfully served on our Board of Advisors, or helped plan fundraisers such as dinner parties or participated with youth in doing community service. You have provided food and entertainment. You've donated toys and books and games to the Bridges To Growth Resource Center. You have attended parent training and hosted neighborhood block parties. You have demonstrated your belief in our vision for Georgetown and for our children and youth.

May the holidays bring you the joy of family and friends, and may you enjoy peace and good health throughout the New Year.

Thank You for Remembering Us at This Time of Year!

Yes, I want to help The Georgetown Project! I understand that you are a 501(c)(3) organization.

Enclosed is my tax-deductible contribution of \$ _____

In memory of _____
