

**The NEST (Nurturing-Empowering-Supporting for Tomorrow)
Volunteer Meal Services Request Form**

The Nest, a transitional homeless teen day shelter operated by The Georgetown Project, would like to thank volunteers interested in providing meals for our students. Meals will be provided 5 days/week at approximately 5:30 p.m. each night. Please complete this application in order to reserve one month of evening meal service for the home. This would include providing meals one day per week for one month in duration. A new application would be completed each month if services are to continue.

Volunteer responsibilities include:

- Deliver evening meal to The Nest at 2308 Old Airport Road by 5:30 p.m. on designated evening.
- Provide food for approximately 20 teens (at this time, number subject to change).
- Provide meal in disposable containers, or containers that do not have to be returned.
- Provide meal ready to serve, except for warming or other minimal preparation by shelter staff.

(The Nest will provide drinks, plates, cups, napkins and eating utensils.)

Please indicate meal preferences below. Requests for menu choices will be filled on a first-come, first-serve basis. The Nest staff will consider meal variety throughout the week for the students and nutritional value as well as requests from other meal volunteers. We will do our best to accommodate your choices of days/menu items. Your consideration in this matter would be greatly appreciated.

Note: We are currently updating and adding names to our volunteer list. Please provide your contact information if you would like to be considered for volunteer opportunities at The Nest. Please provide an e-mail address, our first choice of communication for regular updates.

Name: _____

Daytime Phone: _____

Address: _____

City: _____ **State** _____

Zip _____
